Marisol

I hope all is well.

I know that David and Starr also know about this, but I've been reaching out to all district directors. See below:

On April 16, 2018, the City Council approved the sidewalk vending program for the City of Los Angeles. This program is a coordinated efforts of EWDD, Street Services, and proposed procurement of service providers with experience in business development.

In order for Recreation and Parks to participate in this program, we will work with CLA and provide a list of parks that will allow a mobile/pushcart vendor applicant or applicants (should they chose to include a park on their vending route).

Our superintendents have come up with a preliminary list that would be included in this program. We did NOT include pocket parks as they are mostly open without supervision.

Some examples of reasons that a particular recreation center was chosen could be:

- It already has some vending around the neighborhood that patrons appreciate
- There are no other concessions or concessions agreement at this park that would conflict
- There is a supervisor/RAP staff on duty at the park should any issues arise
- There would be no programmatic or neighborhood issue with a mobile pushcart vendor in this park.

For Council District 13, we have included:

SHATTO  
 HOLLYWOOD

Please let me know if you have any issues with this park being included in a list of available parks list for vending.

In addition, please do let me know if there are any parks in your district that you feel should be included in this list and we'd be happy to discuss adding them.

Should you have any questions, please feel free to call me 213-202-5660

Best,  
 Ryan

City of Los Angeles Mail - Vending in City Parks (in conjunction with sidewalk vending)

Cc: Juan Fregoso <juan.fregoso@lacity.org>, Daniel Halden <Daniel.Halden@lacity.org>

Hi Ryan - thanks for providing this info. I am looping in Juan (Shatto) and Dan (Hollywood) on this email since the parks are in their respective field areas.

Thanks.

Hi Ryan,

Please keep me updated on any information.

Do you know how many permits will be issued for Shatto? Where on park property will they be allowed to set up their post?

Thank you for any information you can provide.

Have a Happy 4th.

Thanks, Ryan. I have the same questions for Hollywood Rec Center that Juan had for Shatto. Please advise.

Thanks!

We would limit it to what you guys are comfortable with, but we would roughly follow kind of what the sidewalk vending program would be. We were thinking for most rec centers, they could accommodate between 1-2 at a time.
